I consider Wine of Cardul superior o any doctor's medicine I ever used and I know whereof I speak. I enferred for aine months with suppressed mensiruation which completely prosperated me. Pains would shoot through my hack and sides and I would have bindingly sheadaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally feld discouraged for I seemed to be beyond the being of physicians, but Wine of Cardul came and God-sould be us. I tolk a obtains for the before within a week. After injection days treatment.

Periodical headaches tell of fe-male weakness. Wine of Cardui cures permanently nineteen out of every twently cases of irregular menses, benring down pains or any female weatness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness.
